Dear Mother,

How are you? I am well. Did you got the Mothers Day card? Are you happy? I will write a card to Mr. & Mrs. T. D. Nelson. I went to play in a ~~circus~~ circus. Many men took a picture of the cubs and scouts. I will go home in 31 more days. Will you be happy because I will comes to your house?

I love you very, very, very, very much.
